An update on the LWMLer from Michigan that is biking from Gaylord, MI to Lexington, KY to attend the LWML convention: She arrived in Lexington, Kentucky at the Rupp Arena on Wednesday afternoon after having ridden a total of 630 miles. She rode through rain, thunderstorms, road construction and beautiful weather to reach the destination all the while raising money to fund mite projects that spread the Gospel worldwide.

If it's too hot to do things outside, you can always be working on items for this year's Silent Auction for Mites in October. What kind of new and interesting items can you make that people would like to purchase while supporting the mites projects of the LWML?

The Spiritual Life Program at the Dakota Boys and Girls Ranch is funded completely through the generous support of individuals, churches, Thrivent Choice, and foundations. The Spiritual Life Program provides a Spiritual assessment upon each child's arrival at the Ranch, A Bible and other Christian resources to introduce children to Jesus and help them grow in their faith, regular chapel services for children and employees, with worship and teaching from God's Word, weekly Spiritual Life groups and a Christian environment.
